Dear Parents,

We want to share our experiences with all of you based on academic year 2020-21 attendance records of our students and conversation happened with their parents.

As we all are aware that last year was declared as a COVID 19 a Pandemic year and due to this pandemic situation some students remained absent for their School education. School officials were continuously following up with them and still doing so, as situation is not yet changed. Broadly there were 4 reasons given by the parents:

1. They are not interested in Online Education and so once schools re-opens they will send their wards to study.
2. Family is out of town so once they come back to the home town student will join the online education.
3. Due to financial crisis in the family they cannot afford to pay School fees even in future also. So they will take admission in the school which is affordable to them.
4. Few students' contact numbers were not reachable and they never tried to contact school.

As a school we tried our best to provide relief to parents with COVID 19 concession of 20-25% in general and in certain cases upto 100% during AY 2020-21. We also gave time concession in paying fees to parents who were in need and had requested. Still few parent couldn't clear their dues as per their commitments.

School management is continuously putting their efforts to help parents who has financial concerns, by allowing them to pay the fees in small instalments.

In case they apply for documents required for changing the school. School management is making it available for them.

We request you all to continue with your wards online education and encourage them to join and learn through online education.

In case there are financial problems visit us to get the solution. We will be happy to provide you the solution.

We assure you the best support from our side, provided you take a footstep towards us. So come and meet in our School office on any of the working days between 9.00 am to 4.00 pm. **(List of students is attached)**

Thanking you

Principal
