

## ST. THOMAS SCHOOL

Runde, Titwala Phalegaon Road, Taluka: Kalyan District: Thane

**CBSE Affiliation No. 1130875**

**Senior Secondary (Junior College) Section**

### CBSE CLASS XI, XII: COMMERCE

The Senior Secondary program (Junior College) prepare students to enter into a career education of his / her choice at the end of the junior college years based on his interest and to best of his abilities.

#### CBSE BOARD CURRICULUM

The CBSE Board introduces courses in Accountancy, Economics, Business Studies and Entrepreneurship in Senior Secondary (Junior college) Education. The instructions in these subjects are given in such a manner that students are able to comprehend the principles and practices in business (trade and industry) as well as their external relationship with the society.

#### Scheme of Studies

In XI and XII CBSE Board scheme of studies, students need to select **FIVE SUBJECTS** in class XI, which need to be continued in class XII. Students are allowed to take one more additional subject by paying extra fees of Rs. 9,000/-

The subject offered at St. Thomas School and Jr. College are as follows:

- English, Accountancy, Economics, Business Studies (Compulsory subjects)  
Mathematics / Entrepreneurship / Computer Science / Marathi / Hindi (Any one)  
And  
Taxation / Entrepreneurship / Computer Science (Additional Subjects)

\*Apart from these core academic subjects students will also have General studies, Health and Physical Education (including SEWA) which are graded subjects.

Commerce classes in St. Thomas School and Jr. College go beyond the prescribed curriculum. In class XI, the students are introduced to Accountancy, Economics, Entrepreneurship and Business Studies for the first time. Hence the teacher, bring in the practical world into their theory classes and acquaint students with the world of industry, business, economics and commerce to make the topics alive, exciting and relevant.

This teaching approach of 'Going beyond the curriculum' and connecting with outside business environment, helps in understanding of core concepts and application of the knowledge to the real world.

The Career Guidance cell of our senior secondary section regularly conducts seminars and workshops by industry professional to create awareness in students about CA, CS & CMA programs and to provide guidance for the Foundation Level.
