### CBSE CLASS XI, XII: SCIENCE

The Senior Secondary program (Junior College) prepare students to enter into a career education of his/ her choice at the end of the junior college years based on his interest and to best of his abilities.

The Senior Secondary (Junior College) Science team of St. Thomas School and Jr. College is an experienced team of subject teachers. They are fully aware that, two years of senior secondary education is very crucial in the life of a student and hence they are focused on optimizing the student's study time in the school.

In Jr. College

- Focus is on strengthening the fundamentals under the guidance of highly experienced school teachers who have 15+ years of subject teaching experience
- School timings are 8:00 to 12:30 p.m. (till 3:00 p.m. on Practical days)
- This allows students to focus on board as well as competitive entrance examination preparations.

### CBSE BOARD CURRICULUM

The CBSE Board is well recognized in India and abroad, which helps students seek admissions to undergraduate courses in the country and worldwide. The entrance exam syllabus for most of the national entrance exams like IIT-JEE and NEET is similar to CBSE Board syllabus. Hence, preparation for the board exams covers the syllabus of entrance exam, and duplication of study is avoided.
